100 Day Countdown to National Wreaths Across America Day 2021

Honor Wreaths For Veterans Volunteer to be a featured guest on Wreaths Across America Radio, heard nationally on iHeart Radio!

Cartersville, IL. — September, 24 2021 — Local volunteer Jim Koonce, who is a **Sponsorship Group Leader** supporting the program at Cartersville, Anna, Alto Pass, Jonesboro, Cobden, O' Fallon, and Mt. Vernon **Cemeter**ies for Wreaths Across America (WAA), will be featured in a national interview on [Wreaths Across America Radio](#). The interview will air on September 24 at 8:15 am and will offer listeners nationwide the chance to learn more about local efforts in support of the mission to Remember, Honor, and Teach, and ways to get involved locally.

The Wreaths Across America Radio virtual countdown kicks off on Sept. 9, and will run through National Wreaths Across America Day, this year on Saturday, December 18, 2021. Interviews will feature volunteers from communities in every state. During the interview, Jim Koonce will share personal stories that evoke the emotion of the mission while offering a direct “call to action” to help raise funds needed to sponsor veterans’ wreaths for placement at Cartersville, Anna, Alto Pass, Jonesboro, O’ Fallon, and Mt. Vernon **Cemeter**ies this December.

Our goal is to lay a wreath on the graves of as many veterans we can. We believe all veterans deserve this honor if buried in a country church cemetery or a national cemetery.

Wreaths Across America Radio is a 24/7 Internet stream. Its unique format provides informational and inspiring content about members of the U.S. armed forces, their families, military veterans, and volunteers throughout the country and overseas who support the mission to Remember, Honor and Teach. Along with the inspiring content, Wreaths Across America Radio plays a variety of music

with roots firmly planted in patriotism and a country music thread running through the core of the stream. Wreaths Across America Radio has a live morning show every weekday morning from 6 am to 10 am ET, along with a variety of special programs that support the mission.
