

CHAPTER 22

MANDATED POLICIES

ARTICLE I – IDENTITY THEFT

22-1-1 **PURPOSE.** The purpose of this Identity Theft Prevention Program (Program) is to protect customers of the Village’s utility services from identity theft. The Program is intended to establish reasonable policies and procedures to facilitate the detection, prevention and mitigation of identity theft in connection with the opening of new Covered Accounts and activity on existing Covered Accounts.

22-1-2 **SCOPE.** This Program applies to the creation, modification and access to Identifying Information of a customer of one or more of the utilities operated by the Village (natural gas, water and wastewater) by any and all personnel of the Village, including management personnel. This Program does not replace or repeal any previously existing policies or programs addressing some or all of the activities that are the subject of this Program, but rather it is intended to supplement any such existing policies and programs.

22-1-3 **DEFINITIONS.** When used in this Program, the following terms have the meanings set forth opposite their name, unless the context clearly requires that the term be given a different meaning:

(A) **Covered Account.** The term “covered account” means an account that the Village offers or maintains, primarily for personal, family or household purposes, that involves or is designed to permit multiple payments of transactions. (16 CFR §681.2(b)(3)(i)). A utility account is a “covered account.” The term “covered account” also includes other accounts offered or maintained by the Village for which there is a reasonably foreseeable risk to customers the Village or its customers from identity theft. (16 CFR §681.2(b)(3)(ii)).

(B) **Identity Theft.** The term “identity theft” means a fraud committed or attempted using the identifying information of another person without authority. (16 CFR §681.2(b)(8) and 16 CFR 603.2(a)).

(C) **Identifying Information.** The term “identifying information” means any name or number that may be used, alone or in conjunction with any other information, to identify a specific person, including any name, social security number, date of birth, official State or government issued driver’s license or identification number, alien registration number, government passport number, employer or taxpayer identification number. Additional examples of “identifying information” are set forth in 16 CFR §603.2(a).

(D) **Red Flag.** The term “Red Flag” means a pattern, practice or specific activity that indicates the possible existence of identity theft.

Certain terms used but not otherwise defined herein shall have the meanings given to them in the FTC’s Identity Theft Rules (16 CFR Part 681) or the Fair Credit Reporting Act of 1970 (15 U.S.C. §1681 et seq.), as amended by the Fair and Accurate Credit Transactions Act of 2003 into law on December 4, 2003. (Public Law 108-159).

22-1-4 **ADMINISTRATION OF THE PROGRAM.** The initial adoption and approval of the Identity Theft Prevention Program shall be by Ordinance of the Village Board of Trustees. Thereafter, changes to the Program of a day-to-day operational character and decisions relating to the interpretation and implementation of the Program may be made by the Village Clerk (Program Administrator). Major changes or shifts of policy positions under the Program shall only be made by the Village Board of Trustees.

Development, implementation, administration and oversight of the Program will be the responsibility of the Program Administrator. The Program Administrator may, but shall not be required to, appoint a committee to administer the Program. The Program Administrator shall be the head of any such committee. The Program Administrator will report at least annually to the Village Board of Trustees regarding compliance with this Program.

Issues to be addressed in the annual Identity Theft Prevention Report include:

- (A) The effectiveness of the policies and procedures in addressing the risk of Identity Theft in connection with the opening of new Covered Accounts and activity with respect to existing Covered Accounts.
- (B) Service provider arrangements.
- (C) Significant incidents involving Identity Theft and management’s response.
- (D) Recommendations for material changes to the Program, if needed for improvement.

22-1-5 IDENTITY THEFT PREVENTION ELEMENTS.

(A) **Identification of Relevant Red Flags.** The Village has considered the guidelines and the illustrative examples of possible Red Flags from the FTC’s Identity Theft Rules and has reviewed the Village’s past history with instances of identity theft, if any. The Village hereby determines that the following are the relevant Red Flags for purposes of this Program given the relative size of the Village and the limited nature and scope of the services that the Village provides to its citizens:

- (1) **Alerts, Notifications, or Other Warnings Received From Consumer Reporting Agencies or Service Providers.**
 - (a) A fraud or active duty alert is included with a consumer report or an identity verification response from a credit reporting agency.
 - (b) A consumer reporting agency provides a notice of credit freeze in response to a request for a consumer report.
 - (c) A consumer reporting agency provides a notice of address discrepancy, as defined in §681.1(b) of the FTC’s Identity Theft Rules.
 - (d) A consumer report indicates a pattern of activity that is inconsistent with the history and usual pattern of activity of an applicant or customer, such as:
 - (i) A recent and significant increase in the volume of inquiries;
 - (ii) An unusual number of recently established credit relationships;
 - (iii) A material change in the use of credit, especially with respect to recently established credit relationships; or
 - (iv) An account that was closed for cause or identified for abuse of account privileges by a financial institution or creditor.
- (2) The presentation of suspicious documents.
 - (a) Documents provided for identification appear to have been altered or forged.
 - (b) The photograph or physical description on the identification is not consistent with the appearance of the applicant or customer presenting the identification.
 - (c) Other information on the identification is not consistent with information provided by the person opening a new covered account or customer presenting the identification.
 - (d) Other information on the identification is not consistent with readily accessible information that is on file with the Village, such as a signature card or a recent check.

- (e) An application appears to have been altered or forged, or gives the appearance of having been destroyed and reassembled.
- (3) The presentation of suspicious personal identifying information, such as a suspicious address change.
 - (a) Personal identifying information provided is inconsistent when compared against external information sources used by the Village. For example:
 - (i) The address does not match any address in the consumer report or CRA ID Check response; or
 - (ii) The Social Security Number (SSN) has not been issued, or is listed on the Social Security Administration's Death Master File.
 - (b) Personal identifying information provided by the customer is not consistent with other personal identifying information provided by the customer. For example, there is a lack of correlation between the SSN range and date of birth.
 - (c) Personal identifying information provided is associated with known fraudulent activity as indicated by internal or third-party sources used by the Village. For example:
 - (i) The address on an application is the same as the address provided on a fraudulent application; or
 - (ii) The phone number on an application is the same as the number provided on a fraudulent application.
 - (d) Personal identifying information provided is of a type commonly associated with fraudulent activity as indicated by internal or third-party sources used by the Village. For example:
 - (i) The billing address on an application is fictitious, a mail drop, or a prison; or
 - (ii) The phone number is invalid, or is associated with a pager or answering service.
 - (e) The SSN provided is the same as that submitted by other persons opening an account or other customers.
 - (f) The address or telephone number provided is the same as or similar to the account number or telephone number submitted by an unusually large number of other persons opening accounts or other customers.
 - (g) The person opening the covered account or the customer fails to provide all required personal identifying information on an application or in response to notification that the application is incomplete.
 - (h) Personal identifying information provided is not consistent with personal identifying information that is on file with the Village.
 - (i) If the Village uses challenge questions, the person opening the covered account or the customer cannot provide authenticating information beyond that which generally would be available from a wallet or consumer report.
- (4) The unusual use of, or other suspicious activity related to, a Covered Account.
 - (a) Shortly following the notice of a change of address for a covered account, the Village receives a request for the addition of authorized users on the account.
 - (b) A new utility account is used in a manner commonly associated with known patterns of fraud patterns. For example: the customer fails to make the first payment or makes an initial payment but no subsequent payments.

- (c) A covered account with a stable history shows irregularities.
 - (d) A covered account that has been inactive for a reasonably lengthy period of time is used (taking into consideration the type of account, the expected pattern of usage and other relevant factors).
 - (e) Mail sent to the customer is returned repeatedly as undeliverable although usage of utility products or services continues in connection with the customer's covered account.
 - (f) The Village is notified that the customer is not receiving paper account statements.
 - (g) The Village is notified of unauthorized usage of utility products or services in connection with a customer's covered account.
- (5) **Notice of Possible Identity Theft.** The Village is notified by a customer, a victim of identity theft, a law enforcement authority, or any other person that it has opened a fraudulent account for a person engaged in identity theft.

(B) **Detection of Red Flags.** The employees of the Village that interact directly with customers on a day-to-day basis shall have the initial responsibility for monitoring the information and documentation provided by the customer and any third-party service provider in connection with the opening of new accounts and the modification of or access to existing accounts and the detection of any Red Flags that might arise. Management shall see to it that all employees who might be called upon to assist a customer with the opening of a new account or with modifying or otherwise accessing an existing account are properly trained such that they have a working familiarity with the relevant Red Flags identified in this Program so as to be able to recognize any Red Flags that might surface in connection with the transaction. An Employee who is not sufficiently trained to recognize the Red Flags identified in this Program shall not open a new account for any customer, modify any existing account or otherwise provide any customer with access to information in an existing account without the direct supervision and specific approval of a management employee. Management employees shall be properly trained such that they can recognize the relevant Red Flags identified in this Program and exercise sound judgment in connection with the response to any unresolved Red Flags that may present themselves in connection with the opening of a new account or with modifying or accessing of an existing account. Management employees shall be responsible for making the final decision on any such unresolved Red Flags.

The Program Administrator shall establish from time to time a written policy setting forth the manner in which a prospective new customer may apply for service, the information and documentation to be provided by the prospective customer in connection with an application for a new utility service account, the steps to be taken by the employee assisting the customer with the application in verifying the customer's identity and the manner in which the information and documentation provided by the customer and any third-party service provider shall be maintained. Such policy shall be generally consistent with the spirit of the Customer Identification Program rules (31 CFR 103.121) implementing Section 326(a) of the USA PATRIOT Act but need not be as detailed. The Program Administrator shall establish from time to time a written policy setting forth the manner in which customers with existing accounts shall establish their identify before being allowed to make modifications to or otherwise gain access existing accounts.

(C) **Response to Detected Red Flags.** If the responsible employees of the Village as set forth in the previous section are unable, after making a good faith effort, to form a reasonable belief that they know the true identity of a customer attempting to open a new account or modify or otherwise access an existing account based on the information and documentation provided by the customer and any third-party service provider, the Village shall not open the new account or modify or otherwise provide access to the existing account as the case may be. Discrimination in respect to the opening of new accounts or the modification or access to existing accounts will not be tolerated by employees of the Village and shall be grounds for immediate dismissal.

The Program Administrator shall establish from time to time a written policy setting forth the steps to be taken in the event of an unresolved Red Flag situation. Consideration should be given to aggravating factors that may heighten the risk of Identity Theft, such as a data security incident that results in unauthorized access to a customer's account, or a notice that a customer has provided account

information to a fraudulent individual or website. Appropriate responses to prevent or mitigate Identity Theft when a Red Flag is detected include:

- (1) Monitoring a Covered Account for evidence of Identify Theft.
- (2) Contacting the customer.
- (3) Changing any passwords, security codes, or other security devices that permit access to a Covered Account.
- (4) Reopening a Covered Account with a new account number.
- (5) Not opening a new Covered Account.
- (6) Closing an existing Covered Account.
- (7) Not attempting to collect on a Covered Account or not selling a Covered Account to a debt collector.
- (8) Notifying law enforcement.
- (9) Determining that no response is warranted under the particular circumstances.

22-1-6 PROGRAM MANAGEMENT AND ACCOUNTABILITY.

(A) **Initial Risk Assessment – Covered Accounts.** Utility accounts for personal, family and household purposes are specifically included within the definition of “covered account” in the FTC’s Identity Theft Rules. Therefore, the Village determines that with respect to its residential utility accounts it offers and/or maintains covered accounts. The Village also performed an initial risk assessment to determine whether the utility offers or maintains any other accounts for which there are reasonably foreseeable risks to customers or the utility from identity theft. In making this determination the Village considered (1) the methods it uses to open its accounts, (2) the methods it uses to access its accounts, and (3) its previous experience with identity theft, and it concluded that it does not offer or maintain any such other covered accounts.

(B) **Program Updates – Risk Assessment.** The Program, including relevant Red Flags, is to be updated as often as necessary but at least annually to reflect changes in risks to customers from Identity Theft. Factors to consider in the Program update include:

- (1) An assessment of the risk factors identified above.
- (2) Any identified Red Flag weaknesses in associated account systems or procedures.
- (3) Changes in methods of Identity Theft.
- (4) Changes in methods to detect, prevent, and mitigate Identity Theft.
- (5) Changes in business arrangements, including mergers, acquisitions, alliances, joint ventures, and service provider arrangements.

(C) **Training and Oversight.** All staff and third-party service providers performing any activity in connection with one or more Covered Accounts are to be provided appropriate training and receive effective oversight to ensure that the activity is conducted in accordance with policies and procedures designed to detect, prevent, and mitigate the risk of Identity Theft.

22-1-7 OTHER LEGAL REQUIREMENTS. Awareness of the following related legal requirements should be maintained:

- (A) 31 U.S.C. 5318(g) – Reporting of Suspicious Activities

22-2-9 **AMENDMENT OF PRIVACY POLICY.** The Privacy Policy adopted in this Division and Chapter shall be subject to amendment from time to time by the Village Board as the Village Board shall deem necessary in its sole discretion in order to maintain the Village's compliance with the Illinois Identity Protection Act as now or hereafter amended.

22-2-10 **CONFLICT WITH STRICTER LAWS.** This Policy does not supersede any more restrictive law, rule, or regulation regarding the collection, use, or disclosure of Social Security Numbers.

[NOTE: This Policy is to comply with Public Act 096-9874 of the State of Illinois, cited as the Identity Protection Act, and codified as Title 30, Act 5, Section 1, et seq., as now or hereafter amended.]

(B) Upon receiving a request for a public record, the Freedom of Information Officer shall:

- (1) Note the date the Village receives the written request;
- (2) Compute the date on which the period for response will expire and make a notation of that date on the written request;
- (3) Maintain an electronic or paper copy of the written request including all documents submitted with the request until the request has been complied with or denied; and
- (4) Create a file for the retention of the original request, a copy of the response, a record of written communications with the person making the request, and a copy of other communications regarding the request.

(C) The Freedom of Information Act officers shall successfully complete an electronic training curriculum to be developed by the Public Access Counselor in the office of the Attorney General of the State of Illinois and thereafter successfully complete an annual training program. Thereafter when a new Freedom of Information officer is designated by the Village, that person shall successfully complete the electronic training curriculum within **thirty (30) days** after assuming the position. Successful completion of the required training curriculum within the periods provided shall be a prerequisite to continue serving as a Freedom of Information officer.

22-3-3 PROCEDURES. The Village shall prominently display at the Village Clerk's office, display on its website, make available for inspection and copying, and send through the mail as requested, each of the following:

(E) The time limit set forth hereinabove may be extended for an additional **five (5) business days** by notice in writing to the person making the request of the **five (5) business days** extension. The notification shall state the reason(s) for the **five (5) business days** extension and contain a date certain on which the requested record(s) will be available. The failure to grant or deny a request within the additional **five (5) business days** shall operate as a denial. The person making the request and the Village may agree in writing to extend the time for compliance for a period to be determined by the parties. If the person making the request and the Village agree to extend the period for compliance, a failure by the Village to comply with any previous deadlines shall not be treated as a denial of the request for the records.

(F) Charges for copies of records and/or documents shall be imposed in accordance with the following:

- (1) No fees shall be charged for the first **fifty (50) pages** of black and white, letter or legal sized copies requested.

- (4) **Ten Cents (\$0.10)** for each audio recording.

(G) It shall be the responsibility of the person making the request to pick up the requested documents at Village Hall. If the person making the request asks the Village to mail the documents, he or she shall provide the Village with his/her correct mailing address so as to efficiently process all requests. Copies of records requested to be mailed will be forwarded United States Certified Mail to the address provided. Pre-payment of **Two Dollars Fifty Cents (\$2.50)** per ounce shall be required.

(H) When a person requests a copy of a record maintained in an electronic format, the Village shall furnish it in the electronic format specified by the person making the request, if feasible. If it is not feasible to furnish the public records in the specified electronic format, then the Village shall furnish it in the format in which it is maintained by the Village, or in paper format at the option of the person making the request.

22-3-5 REQUEST FOR COMMERCIAL PURPOSES. The Village shall respond to a request for records to be used for a commercial purpose within **twenty-one (21) working days** after receipt. The response shall (1) provide to the person making the request an estimate of the time required by the Village to provide the records requested and an estimate of the fees to be charged, which the Village may require the person to pay in full before copying the requested documents, (2) deny the request pursuant to **one (1)** or more of the exemptions set out in the Freedom of Information Act, **5 ILCS 140/1 et seq.**, (3) notify the person making the request that the request is unduly burdensome and extend an opportunity to the person making the request to attempt to reduce the request to manageable portions, or (4) provide the records requested.

Unless the records are exempt from disclosure, the Village shall comply with a commercial request within a reasonable period considering the size and complexity of the request, and giving priority to records requested for non-commercial purposes.

It is unlawful for a person to knowingly obtain a public record for a commercial purpose within disclosing that it is for a commercial purpose, and any person obtaining a public record for commercial purpose without disclosing that it is for a commercial purpose shall be fined in accordance with the Village Code.

22-3-6 **FEES.** The Village Clerk shall determine when the established fees are subject to waiver or reduction because the release of the requested information is in the public interest.

22-3-7 **PUBLIC FILE.** The Village Clerk shall establish and maintain a central file, open to the public, of all denials of requests for records which shall be indexed according to the exemption utilized to deny a request for records, and to the extent possible, according to the types of records requested.

22-3-8 **GRANTING OR DENIAL OF REQUESTS.** A request for all records within a category shall be granted unless the request constitutes an undue burden upon the Village. Prior to denying a request based upon the burdensome nature of the request, an opportunity to narrow the request to manageable proportions shall be provided. If the attempt to narrow the request fails, the request may be denied because compliance will unduly burden the operations of the Village and the burden outweighs the public interest in the information. The denial shall be in writing, specifying the reasons why compliance will be unduly burdensome and the extent to which compliance will so burden the operations of the Village. Repeated requests from the same person for the same records that are unchanged or identical to records previously provided are properly denied under the Freedom of Information Act shall be deemed unduly burdensome under this Section.

22-3-9 **CERTAIN INFORMATION EXEMPT FROM INSPECTION AND COPYING.** If any record exempt from disclosure contains material which is not exempt, the information which is exempt shall be deleted and the remaining information shall be available for inspection and copying.

22-3-10 **NOTICE OF DENIAL OF REQUEST; APPEALS.**
(A) If the Village denies the request, the Village shall notify the person making the request in writing of:

- (1) the decision to deny the request;
- (2) the reasons for the denial, including a detailed factual basis for the application of any exemption claim;
- (3) the names and titles or positions of each person responsible for the denial;
- (4) the right to review by the Public Access Counselor and the address and phone number for the Public Access Counselor; and
- (5) the right to judicial review.

If an exemption is claimed, then the denial must include the specific reasons for the denial, including a detailed factual basis and a citation to support a legal authority.

(B) If the Village asserts an exemption under Subsection (1)(c) or (1)(f) of Section 7 of the Freedom of Information Act, it shall, within the time periods provided for Respondent to request, provide written notice to the person making the request and the Public Access Counselor of its intent to deny the request in whole or in part. The notice shall include:

- (1) a copy of the request for access to records;
- (2) the proposed response from the Village;
- (3) a detailed summary of the Village's basis for asserting its exemption.

If the Public Access Counselor determines that further inquiry is warranted, the procedures set forth in the Freedom of Information Act, as amended from time to time, regarding the review of denials shall be applicable.
