Challenge Grant Pledge Form

Over the next three years, the library will raise \$500,000 towards the grant matching requirement. The total \$750,000 raised will allow for much needed restoration projects including moisture control, masonry and concrete repairs, stained glass window restoration, and interior finishes updates to be completed.

The Jeffris Family Foundation has agreed to grant \$250,000 to Stinson Memorial Public Library District if Stinson Library receives a total of at least \$500,000 in eligible contributions and pledges no later than June 30, 2029. Irrevocable, unconditional, and binding pledges received by Stinson Library on or prior to 3/30/2029 count toward the Jeffris Family Foundation challenge grant so long as they are payable no later than 6/30/2029. Larger pledges (exceeding 25% of the project budget) may be subject to additional restrictions.

In support of the restoration of Moisture Mitigation Stinson Library, I/we hereby irrevocably and unconditionally pledge the amounts listed below toward the restoration project. Please apply the pledge toward the Jeffris Family Foundation challenge grant.
